**Home Care Packages (HCP)** are Government funded program to assist people 65-years-old or above to remain independent in their own homes for longer in the local community. These packages allow you to have the flexibility with the services you would like to receive.

Accepting in-home care is often the best option and the best outcome for people wanting to stay in their own homes for as long as possible but do require some additional support, to stay active in the community.

Depending on the level of **Home Care Package** you are allocated, you can get assistance with a range of different services. The purposes of services are:

- To keep you well and independent
- To keep you safe in your home
- To keep you connected to your community
